

Navigators For A Healthy Louisiana

Navigators for a Healthy Louisiana is a federally funded program supported by a grant from the U.S. Department of Health and Human Services Center for Medicare and Medicaid Services under the Affordable Care Act to assist residents with obtaining low cost or no cost health insurance coverage through Medicaid, LaCHIP and the Marketplace Insurance Plans or updating their existing **Medicaid** account often overcoming transportation barriers

Local parish Certified Navigators are available statewide to provide **FREE One-On-One Assistance** to educate about health insurance options, how to utilize coverage services, locate providers, and access preventable health services. Navigators meet residents at convenient in-person locations, virtually or by phone.

Onsite enrollment services and an easy direct referral process are available to any organization along with event informational tables and meeting presentations.

We provide:

- One-on-one assistance with applying, updating info, check eligibility & educating about health insurance options for Marketplace, Medicaid & LaCHIP
- How to utilize health coverage services & locate providers
- How to access preventable health services

How we provide services:

- Onsite enrollment and opportunities at local facilities
- Direct referrals from community partners/organizations
- Community meetings/events/health fairs
- Informational booths & presentations

How we make a difference:

- Work with everyone to access health insurance
- One-on-one FREE confidential assistance
- Flexible meeting arrangements at local locations
- Consumer education on services in terms easily understood
- State-wide representatives available, culturally diverse
- Coverage to Care resources
- Assist consumers keep their information up-to-date
- Update partners through the Navigator Newsletter
- Help navigate the Health Insurance Marketplace
